Want to play hockey but don't know how?

Skatetown's 23-week learn to play hockey program, for men and women, is designed to prepare NEW players, with little or no hockey experience, to play in the adult hockey league.

Do I need to know how to skate? Basic skating skills are required. It is recommended that a player with no prior skating experience take a class through Skatetown's Learn to Skate program before enrolling in this class.

What equipment will I need for the class? Players are required to wear full gear. Skatetown's ProShop has put together a special package price that includes all the equipment you will need. Stop by our ProShop for more information and to schedule a gear fitting. A Skatetown Jersey will be included and must be picked up the first day of class. Haven't purchased all of your gear yet? Ask us about borrowing a stick and skates.

What if I miss a class? If a player cannot make a class, the player is responsible for the material covered in that class. You may get the class curriculum from the instructor and attend a stick time or public session for extra practice, or schedule a private lesson with your instructor to get caught up.

Who coaches the class? Jeff Eastburn is our highly sought after Adult Learn to Play Hockey coach and has been involved with Skatetown since its doors opened in December 1997. Jeff will be joined by assistant coaches to make sure you get enough specialized attention.

Cost $540

Payment plan of $560 available:
