

# Youth In-House Hockey Leagues – Summer 2024

You can sign up for one of our in-house leagues with games on Sundays and practices during the week. You don't have to wait for the beginning of a new season, you can join a league at any time. This is a recreational program with an emphasis on having fun and learning the game of hockey. The USA Hockey curriculum is used for practices.

## *Divisions – all divisions are non-checking*

**Mites (age 8 & under\*):** Games are played cross-ice with multiple games played at once per USA Hockey recommendations. The rink will be divided up with 'Border Patrol' pads into sections based on number of players. Weekly practices and games may be half-ice (shared with a stick time or hockey class) based on attendance. Practices are on Fridays from 5-6pm.

**Squirt/Peewee (9-12 years\*):** Games are played on full-ice with referees and scorekeepers. Practices and games are one hour. Practices are division practices with all teams sharing the ice. Practices are on Mondays.

**High School (13-17 years\*):** Games are played on full-ice with referees and scorekeepers. Practices and games are one hour. Practices are division practices with all teams sharing the ice. Practices are on Wednesdays.

\*Player's age at the beginning of the season is where he/she should register

**Parity** - Players may be moved to a different team during the season to ensure parity. Travel players must be approved by the Hockey Director prior to registration.

## *Development of league*

The number of players in each division will determine how that league run. If a division consists of a small number of players, we may form new teams each week. If a division is large enough for 3 or more teams, we will create set rosters for each team and conduct games in a competitive format.

## *Equipment requirements*

Full equipment is required including HECC approved helmet with full shield or cage, mouth guard, shoulder/shin/elbow pads, hockey pants with padding and hockey gloves. Skatetown mouth guards are required for Squirt/Peewee and High School divisions.

## *Locker Rooms*

Locker rooms will be opened by the coach 30 minutes prior to the ice time and will be closed by the coach 15 minutes after the ice time. All players are required to arrive at the rink wearing their hockey base layers or shorts and t-shirts or equivalent (in good condition-no holes or tears in clothing) under their street clothes.

Mite and Squirt/Peewee parents are allowed in the locker room. High School parents are not allowed in the locker room. Refer to the locker room policy sign outside the locker rooms for more information.

## *Jerseys*

The cost of team jerseys is not included in the league fees. Skatetown jerseys, in the appropriate league color, must be worn by all players and can be purchased from the Skatetown Pro Shop. Both jerseys must have matching numbers for accurate game statistics.

## *Dates and schedules – Summer 2024: June 3 – August 25, 2024*

### ***Payment plan option***

A \$10 handling fee is added to the league fee. To qualify for this payment plan, player agrees to play the entire season and pay the entire league fee. A credit card with valid expiration date and the cardholder's signature authorizing Skatetown to charge the account for payments when due is required. For all late payments or declined credit cards, a \$30 admin fee will be applied to individual payments.

#### **Spring payment plan:**

Down payment (\$350+ \$10 fee)	\$360
2 <sup>nd</sup> payment due July 10, 2024	\$200

***Pro-rated sign-ups*** must be made at the front counter. Players may pro-rate into the season with Hockey Director approval anytime up until the last three weeks. Pro-rated fees are not eligible for the payment plan option.

### ***Hockey 4 students - ask about our Practice-Only Red Shirt Program!***

This program allows players to attend league practices, but not participate in the games. During practices, players will gain a better understanding of hockey fundamentals, improve skills and get to know the coaches and league players. Once the coaches and player feel that they are ready to play in the games, they will be placed on a roster (if space is available) after the pro-rated fees are paid. This is a great option for players transitioning from the Learn to Play Hockey Program into organized leagues. The price is half of the normal league fees. Players must get Hockey Director approval and fees will be pro-rated through the end of the season. Email the Hockey Director at [hockey@skatetown.biz](mailto:hockey@skatetown.biz) if you want to sign up for the Red Shirt Program.
